

## Lemonade Project Evaluation 2013

---

Name: \_\_\_\_\_

	<b>You did it</b>	<b>You are getting there</b>	<b>You have started</b>	<b>You are still on the starting line</b>
<b>How do you feel the project went?</b>	4 marks Full answer was provided with examples to back up thoughts.	3 marks An answer was provided with examples but I was still left with questions	2 marks An answer was provided with no examples	1 mark An answer was provided that said very little.
<b>What worked for your group?</b>	4 marks Full answer was provided with examples to back up thoughts.	3 marks An answer was provided with examples but I was still left with questions	2 marks An answer was provided with no examples	1 mark An answer was provided that said very little.
<b>What could be improved?</b>	4 marks Full answer was provided with examples to back up thoughts.	3 marks An answer was provided with examples but I was still left with questions	2 marks An answer was provided with no examples	1 mark An answer was provided that said very little.
<b>What personal skills did you see in yourself that you think contributed to the success of your business (two qualities with examples)?</b>	9-10 marks Full self-reflection of what was done for the week. Examples of what went well and what needed to improve.	8-7 marks A self-reflection was completed but didn't talk about the process from start to finish. Questions we left unanswered or examples not provided	6-4 marks A self-reflection was provided but pretty sketchy. A lot of questions were left for the reader.	3-0 marks What self-reflection? There were only words on a paper to get the assignment completed. Did you do anything this week?
<b>What would you do differently?</b>	4 marks Full answer was provided with examples to back up thoughts.	3 marks An answer was provided with examples but I was still left with questions	2 marks An answer was provided with no examples	1 mark An answer was provided that said very little.

/26 marks
